The screenshot shows the homepage of the European Commission Research & Innovation Participant Portal. At the top left is the European Commission logo. The main title "RESEARCH & INNOVATION" is in large blue letters, followed by "Participant Portal". Below that is a breadcrumb navigation: European Commission > Research & Innovation > Participant Portal > Home. A navigation bar includes links for HOME, FUNDING OPPORTUNITIES, HOW TO PARTICIPATE, EXPERTS, SUPPORT, LOGIN, and REGISTER. A banner on the right says "Horizon 2020 Funding Starting from 1/1/2014". The main content area explains funding opportunities under EU programmes (2014-2020 Horizon 2020 and 2007-2013 FP7 and CIP) and lists tasks for non-registered and registered users. Below this are six cards: "WHAT'S NEW?", "FUNDING OPPORTUNITIES", "HOW TO PARTICIPATE", "WORK AS AN EXPERT", "MY PERSONAL AREA", and "INFORMATION AND SUPPORT".

Horizon 2020 Funding
Starting from 1/1/2014

On this site you can find and secure **funding** for research & innovation projects under the following EU programmes:

- 2014-2020 Horizon 2020 - research and innovation framework programme
- 2007-2013 7th research framework programme (FP7) and Competitiveness & Innovation Programme (CIP)

Non-registered users

- search for funding
- read the funding guide & download the legal documents
- check if an organisation is already registered
- contact our support services or check our FAQs

Registered users

- submit your proposal
- sign the grant

Strategic Research Agenda (SRA): The right prevention and treatment, to the right patient at the right time

Who will translate the SRA into projects?

Can third parties submit a proposal?

Can the proposer be part of the IMI consortium?

Is there a template?

When to submit an idea?

What happens after submission?

Need more information?

The screenshot shows the IMI2 website interface. At the top, there's a navigation bar with links for Home, About IMI2, Activities, IMI2, EISOLAR Programme, Media Room, and Search. Below the navigation is a large banner image of laboratory glassware. The main content area has a green header "Create your IMI2". Underneath, there's a sub-header "Innovative Medicines Initiative2: Idea generation and development of Call topics". The page contains several paragraphs of text about the Strategic Research Agenda (SRA), the role of industry partners, and the submission process. It also includes sections for "Who will translate the SRA into projects?", "Can third parties submit a proposal?", "Can the proposer be part of the IMI consortium?", "Is there a template?", "When to submit an idea?", "What happens after submission?", and "Need more information?". A large red watermark "revision" is overlaid across the center of the page.

Conclusiones

- **Estrategia.** Imprescindible para resultados de impacto
- La **preparación** es esencial para el éxito de las propuestas
- Escenario altamente competitivo-> **hay que ser excelente**
- **Profesionalización en la gestión**
 - Grandes proyectos (20+)
 - Visión estratégica y de conjunto
 - Coordinación e influencia a nivel de entidad
